## Child Safety Code of Conduct

The Child Safety Code of Conduct (**Code**) aims to promote child safety in Aitken College's school environment by setting high-level standards of behaviour for all adults in the College environment towards students, taking into account the interests of staff and the needs of students.

The Code forms part of the College's Child Safe Program and applies to all staff interactions with students.

The Code applies in addition to any obligations imposed on staff under applicable professional or occupational codes of conduct. For teaching staff, the Code applies in addition to their obligations under the VIT Code of Conduct.

The Code is a child safety code of conduct made in accordance with *Ministerial Order No. 1359 - Child Safe Standards – Managing the Risk of Child Abuse in Schools*.

## Conduct in staff members' personal lives

The College recognises that many staff have students of their own, and in any case will socialise with other adults who may have children.

While this Code is not intended to interfere with a staff member's right to a private life, working at the College requires a serious commitment to student safety. Accordingly, in all aspects staff must conduct themselves in a way consistent with this Code, including by avoiding in private situations (including on social media) which could be perceived as contrary to this Code or involving a risk to student safety.

## Agreement to the Child Safe Code of Conduct

A copy of the Child Safe Code of Conduct is provided to all Staff, relevant Volunteers and relevant Contractors at induction, or otherwise prior to them commencing work at the College. It is also communicated via refresher training at regular intervals for all Staff, as well as Direct Contact and Regular Volunteers and Direct Contact Contractors.

All Staff, as well as Direct Contact and Regular Volunteers must sign an agreement to adhere to the Child Safe Code of Conduct prior to commencing work at College.

The Child Safe Code of Conduct forms part of the contract between the College and any Direct Contact and Regular Contractors. Therefore, all Direct Contact and Regular Contractors are deemed to have agreed to adhere to the Child Safe Code of Conduct on signing the contract or on commencing work at the College.

A copy of the Child Safe Code of Conduct is provided to parents/carers, who must sign an agreement to abide by the Child Safe Code of Conduct on enrolment.

## Report any concerns

Staff must immediately report any concerns about student safety or potential breaches of this Code to a Child Safety Officer/Champion.

Members of the College community (other than staff) who suspect child abuse or reportable conduct, or who otherwise have concerns about a student's welfare, should immediately raise their concerns with the College. For more information, please refer to the *Child Safety Reporting and Responding to Concerns Policy Statement*.

For other complaints, please refer to the *Complaint Handling Policy*.

**Whenever there are concerns that a student is in immediate danger, contact Victoria Police on 000.**

## Consequences of breach

It is the College's policy that any breach of the Child Safe Code of Conduct is a child safety incident that must be reported internally. It is important to understand that by law ALL allegations of breaches must, and will be, investigated. Any breach that meets the threshold for external reporting must also be reported to the relevant external authority. For more information, refer to our procedures for Reporting and Responding to Child Safety Concerns.
