Who are we....

Kelly Club is an organisation that provides OSH before and after school care and vacation care throughout Australia and New Zealand. Our aim is to provide not just 'a childcare facility', but to create a safe environment where children can have fun and benefit from in a number of ways. Our goal is to give children opportunities to do the things they love and enjoy in a supportive and encouraging environment. Kelly Club is closely aligned with Kelly Sports which has been providing a range of curricular and extra-curricular sporting programs for children in Australia since 1994.

What will my kids be doing...

Our programs are focused around sports, cooking, art and craft activities as well as structured 'free-time' around a busy day at school. These activities will be incorporated into themed subjects each week that give children the opportunity to extend their learning outside of the school classroom. There will be set time for children to complete homework should they (or their parents) want homework completed before they are collected.

Are Kelly Club Staff trained...

All staff are fully trained in Kelly Club Policies and Procedures. Each staff member completes a Kelly Club staff induction booklet during their first two weeks of employment that ensures best practice and continuity across all program staff. We operate to a minimum 1:14 staff ratio when onsite and a 1:8 ration when on program outings. Staff are qualified as per the relevant regulations and have demonstrated experience in Out of School Hours Care Programs
